Trolleys

We've got you covered with a wide range of options, from elegant birdcage trolleys to stylish minibar dispensers. Choose from premium finishes like stainless steel for a sleek, modern look, gold chrome for a touch of luxury, or classic wood for a warm, timeless appeal. Our designs are tailored to suit your needs, with customizable features such as indoor and outdoor wheels to ensure versatility and functionality in any setting. Whatever your preferences, our bespoke solutions bring sophistication and practicality to your space.

Food & Beverage

Our supplies feature a sustainable appeal, including waterless chafing dishes and bamboo utensils. Additionally, we collaborate with chefs to create bespoke dining concepts, delivering a truly unique and memorable experience.

Chinaware & Cutlery

We offer an exclusive selection of premium chinaware and cutlery to elevate the dining experience. With a wide range of products and extensive expertise, our team provides tailored solutions to perfectly complement your concept and interior design.

Glassware

Our collection, ranging from tumblers to wine glasses, is durable, affordable, and easily accessible. The innovative designs seamlessly complement both the décor and the cuisine, enhancing the overall dining experience.

Buffet Ware

Our chafing dishes feature EcoBurner for sustainable heating, along with induction units for even heat distribution. We offer risers and decorative pieces to enhance presentation and style, ensuring both functionality and elegance for any event.

Corby Hall

A Classic Tradition

Corby Hall is a premier manufacturer of high-quality flatware, hollowware, and dinnerware, serving the hospitality and foodservice industries with excellence. Renowned for its exceptional craftsmanship, durability, and elegant designs, Corby Hall provides a diverse range of products that enhance dining experiences in restaurants, hotels, and banquet settings. With a commitment to superior materials and meticulous attention to detail, Corby Hall ensures that every piece meets the highest standards of quality and sophistication. Whether for fine dining or casual settings, Corby Hall's collections combine style and functionality to deliver timeless tableware solutions.

EcoBurner

First nontoxic gas to be used in food environment for chafing devices.

Eco Burner

Eco Burner fuel #9009 is a unique butane/propane mix that produces up to 75 % less carbon than any gel or wick-chafing fuel. As Eco-burner fuel burns the Eco Burner produces minimal Carbon Monoxide making it a safer choice for heating buffets near staff and guests.

First nontoxic gas to be used in food environment for chafing devices. Reduces Carbon Footprint by more than 75%. Increased Safety. with Auto shut off. Adjustable power. with 5-7 hours of burn time.

Reduces cost by up to 50%. The fuel cans are used to refill the Eco Burner and are fully recyclable which means zero wasted fuel and reduced waste to landfill.

Porline

Fine Dineh journey with Porline!

Porline is a premier Turkish brand renowned for its expertly designed dinnerware, crafted to elevate dining experiences in hotels, resorts, and fine dining establishments. Combining elegance, durability, and practicality, Porline's collections feature a stackable design for efficient storage, glaze resistance for long-lasting beauty, and lifetime design and color resistance to maintain their aesthetic appeal. Designed to withstand the demands of high-end hospitality, each piece is anti-edge chipping, ensuring longevity in busy dining environments. Microwave and dishwasher safe, Porline dinnerware enhances the presentation of every dish, offering a perfect blend of sophistication and resilience, making it the ideal choice for hotels and resorts seeking to create an exceptional dining ambiance.

AluChef™

**Experience the look of cast iron
with a fraction of the weight**

AluChef is a high-performance, lightweight cast aluminium casserole pot that weighs only 1/3 to 1/4 of traditional cast iron cookware.

Designed for healthy cooking and catering services, AluChef features a durable, PFOA-free, non-stick coating that guarantees safety and simplifies cleaning.

The exterior is finished with high-heat silicone enamel, which is resistant to stains and ideal for all types of cooking.

Dry Amenities

Our dry amenities are designed to enhance guest comfort with essential personal care items like toothbrushes, toothpaste, combs, shaving kits, shower caps, and more. We offer these in two premium packaging options: Craft Paper, an eco-friendly and sustainable choice with a natural appeal, and White Box Sachet, a sleek and modern option for a luxurious unboxing experience. Both formats ensure quality, hygiene, and an elevated hospitality experience.

Wet Amenities

AROMATHERAPY

Infused with natural Lavender and Cedarwood essential oils, our products promote deep relaxation, enhance emotional well-being, and support restful sleep. The range includes shampoo, bath gel, conditioner, body lotion, and soaps, all enriched with nourishing nutrients for a truly soothing experience.

Firenze 01

Firenze captures the romance and beauty of one of the world's most iconic cities. From master perfumers blending exquisite oils to skilled artisans crafting the finest garments, and the architectural wonders of the Renaissance, this collection is a tribute to timeless elegance.

Our all-new personal care hotel amenities, designed exclusively for guest rooms, embody a modern American lifestyle with a sophisticated sense of color and texture — contemporary yet familiar, refined yet inviting.

Fragrance: Bergamot, Lime, Patchouli, Leather
Product Set: Room Spray, potpourri and Soy Wax Candle

at The Hospitality Monster

RAER

Ted Rohn, the founder of Raer Scents, created a modern, sustainable fragrance using rare, 100% botanical ingredients after failing to find one that met his standards. Inspired by the Bauhaus tradition and Berlin's vibrant energy, the brand emphasizes ethical harvesting and sustainable practices.

SELAHATIN

Born from adversity, the brand was founded after Kristoffer Vural suffered a stroke before the age of 30, leaving him paralyzed for a year. This experience heightened his senses and deepened his appreciation for scent, taste, and the significance of everyday rituals.

STORA SKUGGAN

Founded in Stockholm in 2006, specializes in luxury hair and skincare for the hotel industry, blending tradition with innovation for a sustainable, high-end experience. Committed to artisan craftsmanship, the brand curates boutique brands that redefine hotel luxury with understated elegance and natural sophistication.

Muro redefines fragrance by blending urban artistry with sophisticated craftsmanship, creating scents that are bold, cultural, and thought-provoking. Rooted in modern subculture, it fuses luxury with rebellion, offering a sensory experience as dynamic as street art itself.

A PLANT CULTURE

A Plant Culture was created by a visionary team passionate about harnessing potent, plant-based ingredients from around the world. With minimalistic formulations and single-note essential oil fragrances, the brand transforms everyday routines into luxurious, therapeutic rituals, offering a unique, immersive sensory experience.

R O A D S

Founded in 2013, this contemporary fragrance brand blends influences from London, Dublin, and Southern Asia, drawing inspiration from global arts and culture. Crafted in collaboration with creatives, its genderless scents tell unique stories, embodying modern luxury through quality, emotion, and personal expression.

D.R. HARRIS & Co. Ltd.
— ESTABLISHED 1790 —
CHEMISTS AND PERFUMERS

With a legacy spanning over two centuries, this historic apothecary has been at the heart of London's fashion scene, crafting fine fragrances and skincare for royalty and the elite. Once favored by Her Majesty the late Queen and the former Prince of Wales, it continues to blend tradition with innovation, preserving timeless craftsmanship.

R H I Z O M E

Since 2019, Rhizome has redefined fragrance by offering bold, accessible unisex Eau De Perfumes, candles, and room fragrances that appeal more to the younger generation. The brand focuses on innovation, inclusivity, and quality, making luxury fragrance fun and approachable without the elitism or high prices.

ORMAIE PARIS

Ormaie is a French fragrance brand founded in 2016 by a mother-son duo, blending luxury with sustainability through all-natural, unisex perfumes. With artisanal craftsmanship and eco-conscious design, each fragrance tells a story, embodying elegance, creativity, and environmental responsibility.

MONDAY MUSE

Lune's quest for her skin's harmony led her to create Monday Muse, a brand born from her passion for effective skincare, clean beauty, and sustainability. Launched in November 2020 with The Nectar, it blends luxury with eco-conscious principles and expert formulation.

björk and berries

Björk and Berries started as a small project in northern Sweden, driven by a desire to preserve the beauty, scents, and healing properties of nature. By handpicking leaves and berries to create their first natural perfume, they laid the foundation for the brand's commitment to capturing the essence of Swedish flora.

Bespoke items

Hospitality Monster Bespoke Creations

At Hospitality Monster, we specialize in crafting bespoke items tailored to elevate your brand and guest experience. Each piece is thoughtfully designed and meticulously crafted to reflect your unique identity, ensuring quality, functionality, and style. Whether it's custom furnishings, personalized amenities, or one-of-a-kind decorative pieces, our bespoke solutions seamlessly blend innovation with luxury. Let us bring your vision to life with tailored creations that leave a lasting impression.

Personal Hygiene

Maintaining good personal hygiene is vital for both health and social well-being. It involves keeping hands, head, and body clean to prevent the spread of germs and illness.

Amenities

The quality of the brands, scents, and amenities you provide reflects your commitment to guest satisfaction. Thoughtfully chosen options show that you value their business and enhance their overall experience.

Hotel amenities come in various scents, sizes, and designs. Selecting the right products ensures guests feel refreshed, comfortable, and cared for, leaving your property with positive impressions and lasting memories.
